#### **Independent Auditor's Report**

To the Board of Directors Heart for Africa, Inc. Roswell, Georgia

#### **Report on the Audit of the Financial Statements**

#### **Opinion**

We have audited the accompanying consolidated financial statements of Heart for Africa, Inc. and its consolidated entity, Heart for Africa Swaziland (the "Organization"), which comprise the consolidated statements of financial position as of December 31, 2021 and 2020, and the related consolidated statements of activities and changes in net assets, functional expenses and cash flows for the years then ended, and the related notes to the consolidated financial statements (collectively, the "financial statements").

In our opinion, based on our audits and the reports of other auditors, the accompanying financial statements present fairly, in all material respects, the financial position of the Organization as of December 31, 2021 and 2020, and the changes in their net assets and their cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

#### Report Issued by Other Auditors

We did not audit the financial statements of Heart for Africa Swaziland which statements reflect total assets of \$6,235,941 and \$6,060,795 as of December 31, 2021 and 2020, respectively, and total revenue and support after eliminations of \$1,263,130 and \$995,989 for the years then ended. Those statements, which were prepared in accordance with International Financial Reporting Standards as issued by the International Accounting Standards Board, were issued by other auditors, whose report has been furnished to us. We have applied audit procedures on the conversion adjustments to the financial statements of Heart for Africa Swaziland, which conform those financial statements to accounting principles generally accepted in the United States of America. Our opinion, insofar as it relates to the amounts included for Heart for Africa Swaziland as of December 31, 2021 and 2020, and for the years then ended, prior to those conversion adjustments, is based solely on the report of the other auditors.

#### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Organization and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

#### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud
  or error, and design and perform audit procedures responsive to those risks. Such procedures include
  examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures
  that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the
  effectiveness of the Organization's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that
  raise substantial doubt about the Organization's ability to continue as a going concern for a reasonable
  period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control—related matters that we identified during the audit.

#### **Report on Consolidating Information**

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying consolidating information as of and for the year ended December 31, 2021, is presented for purposes of additional analysis of the financial statements rather than to present the financial position and changes in net assets of the individual entities, and it is not a required part of the 2021 financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The consolidating information has been subjected to the auditing procedures applied in the 2021 audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. In our opinion, the information, which insofar as it relates to Heart for Africa Swaziland, is based on the report of other auditors, is fairly stated in all material respects in relation to the 2021 financial statements as a whole.

Chattanooga, Tennessee

Notes to Consolidated Financial Statements December 31, 2021 and 2020

#### Note 1. Nature of Organization and Significant Accounting Policies

#### Nature of organization:

Heart for Africa, Inc. and its consolidated entity (the "Organization") is the consolidated financial reporting entity for Heart for Africa, Inc. ("HFA") and Heart for Africa Swaziland ("HFA Swaziland") (formerly known as "Dream for Africa"). HFA was incorporated in 2003 as a Georgia not-for-profit corporation and is exempt from federal income taxes on related activities under section 501(c)(3) of the Internal Revenue Code (the "Code"). Contributions to HFA are tax deductible within the limits prescribed by the Code.

HFA is a faith-based humanitarian organization working to bring hope to Africans by addressing poverty issues such as hunger, orphaned children and education. Working with partners in Africa, HFA supports and encourages self-sustainable homes for orphans and vulnerable children through long-term programs and short-term service trips that deliver quality care, shelter, food, water, clothing, health care, social work, mentoring and education. HFA specializes in bringing people from North America to work in service projects in Swaziland.

HFA has facilitated thousands of westerners traveling to Africa for its volunteer programs. Volunteers traveling to Africa see for themselves the challenges of this continent and have made a commitment to impacting the lives of those they encounter. HFA believes that while it may not be able to save every life in Africa, that one person at a time, people in North America can have a serious impact on the lives of millions on this continent.

In April 2018, King Mswati III renamed Swaziland to Eswatini. HFA Swaziland was incorporated in 2004, in Swaziland, now known as Eswatini, as a not-for-profit organization and holds tax exempt status in Eswatini. HFA Swaziland's mission is to provide seeds to communities, support to orphanages and to train communities and orphanages to grow gardens to alleviate hunger and malnutrition, especially for the HIV/AIDS victims. HFA Swaziland is a partner of HFA and HFA financially supports HFA Swaziland as it furthers HFA's vision in Africa.

During 2009, HFA Swaziland made a large purchase of land in Eswatini. This purchase has increased HFA Swaziland's presence and activity in the country. This land is used to carry out a multi-faceted initiative that includes large-scale farming, a children's home and preschool, poultry houses and a dairy farm. The agribusiness development will address food shortage, generate employment, stimulate the local economy, allow for export and provide a sustainable business model to support other orphanages and projects of HFA Swaziland.

#### **Basis of accounting:**

The consolidated financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP). The Financial Accounting Standards Board (FASB) has established the Accounting Standards Codification (ASC) as the sole source of authoritative GAAP.

Notes to Consolidated Financial Statements

December 31, 2021 and 2020

#### Note 1. Nature of Organization and Significant Accounting Policies, Continued

#### **Principles of consolidation:**

The consolidated financial statements include the accounts of Heart for Africa, Inc. and wholly-owned subsidiary, HFA Swaziland. All significant inter-entity balances and transactions have been eliminated.

The 2009 Swaziland land purchase was made through two subsidiaries, Sawubona Khaya (Proprietary) Ltd. and Tintsabeni (Proprietary) Ltd. These subsidiaries are owned 100% by HFA Swaziland and are dormant outside of holding the title to the land.

#### Foreign currency translation:

The functional currency for the Organization's foreign operations is the applicable local currency. The translation from the applicable foreign currencies to U.S. dollars is performed for consolidated statement of financial position accounts using current exchange rates in effect at the consolidated statement of financial position date, historical rates for net assets and the weighted average exchange rate during the period for revenue and expense accounts. Foreign currency translation adjustments resulting from such translations are reflected in the consolidated statements of activities and changes in net assets.

#### *Financial statement presentation:*

The Organization is required to report information regarding its financial position and activities, as necessary, according to two classes of net assets:

Net assets without donor restrictions: Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the Organization. These net assets may be used at the discretion of the Organization's management and the Board of Directors.

*Net assets with donor restrictions*: Net assets subject to stipulations imposed by donors and grantors. Donor restrictions are temporary in nature; those restrictions will be met by actions of the Organization or by the passage of time.

Donor restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the consolidated statements of activities and changes in net assets as net assets released from restrictions. For contributions restricted to the acquisition of property and equipment, the restrictions are released when the asset is placed in service unless the donor has provided more explicit requirements.

#### Cash and cash equivalents:

The Organization considers all highly liquid investments with original maturities of three months or less to be cash equivalents. The Organization maintains cash and cash equivalent accounts at various financial institutions which may exceed federally insured amounts at times and which may exceed consolidated statement of financial position amounts due to outstanding checks.

Notes to Consolidated Financial Statements

December 31, 2021 and 2020

#### Note 1. Nature of Organization and Significant Accounting Policies, Continued

#### Receivables:

Receivables consist of accounts receivable for product sales, which are recognized as revenue when earned, and grant receivables. The Organization does not require collateral for accounts receivable. Accounts receivable is reported net of an allowance for doubtful accounts of \$0 and \$46,624 as of December 31, 2021 and 2020, respectively. The allowance for doubtful accounts is maintained at a level adequate to absorb probable losses and is provided based on management's judgment including factors such as prior collection history, known financial status of customers and existing economic conditions. As accounts are deemed uncollectible, they are written off to the allowance for doubtful accounts.

#### Investments:

Investment securities are carried at fair value. Market values are determined based on quoted prices in active markets for identical assets. Realized gains and losses on sales of securities are recognized on the trade date using the specific identification method. Unrealized gain or loss is the difference between cost and fair value of investments held at the measurement date. Interest income is recognized as earned. Dividends are recognized on the ex-dividend date.

#### *Inventory:*

Inventory of African jewelry and other handmade African items are carried at the lower of cost and net realizable value. Cost is determined on a first-in, first-out basis. Net realizable value is defined as the estimated selling price in the ordinary course of business, less predictable cost of completion.

#### **Property and equipment:**

Property and equipment are stated at cost less accumulated depreciation. Expenditures for equipment in excess of \$500 are capitalized at cost. Depreciation is provided over the estimated useful life of an asset ranging from 3 to 39 years using the straight-line method. When assets are sold or otherwise retired from service, the related cost and accumulated depreciation are removed from the accounts, and any resulting gain or loss is recognized in the consolidated statement of activities and changes in net assets. The cost of maintenance and repairs is charged to expense as incurred.

#### Revenue recognition and support:

Heart for Africa, Inc. is primarily supported by contributions, African-made product sales and special events.

#### Contributions:

The Organization recognizes contributions when cash, securities or other assets or an unconditional promise to give is received. Conditional promises to give, that is, those with a measurable performance or other barrier and a right of return, are not recognized until the conditions on which they depend have been met.

Notes to Consolidated Financial Statements December 31, 2021 and 2020

#### Note 1. Nature of Organization and Significant Accounting Policies, Continued

#### Revenue recognition and support, continued:

#### **Product sales:**

Product sales generally consist of jewelry, home and garden products and farm produce sales. Revenue from product sales is recognized at a point in time when the goods are shipped, or for certain products, when delivered to the customer. Product sales totaled \$731,080 and \$596,995 and direct cost of sales totaled \$236,986 and \$235,531 for 2021 and 2020, respectively. Included in this amount are shipping and handling costs, which are treated as fulfillment costs, totaling \$14,720 and \$16,145 for 2021 and 2020.

#### Special events revenue:

The Organization records special events revenue at the time of the event, net of direct cost of benefits to attendees. The Organization held the following special events during the years ended December 31, 2021 and 2020, to inform supporters about current operations and increase donor exposure:

	2021
	Revenue Direct costs
Golf Tournament	\$ 52,080 \$ 15,327
Celebrate HOPE	224,800 48,606
	<u>\$ 276,880</u> <u>\$ 63,933</u>
	2020
	Revenue Direct costs
Golf Tournament	\$ 40,496 \$ 11,382
Celebrate HOPE	108,282 25,530
	<u>\$ 148,778</u> <u>\$ 36,912</u>

#### **Noncash donations:**

Contributed materials, investment securities, and equipment are reflected as contributions at their estimated fair values at the date of receipt. Donated volunteer services requiring specific expertise are recognized as contributions at their estimated fair values at the date of donation in the period the services are provided. In addition, a large number of volunteers have donated significant amounts of time to assist with various programs, special events and committee assignments, which do not meet the criteria for recognition and, therefore, are not reflected in the consolidated financial statements.

From time to time, HFA will receive noncash donations of goods, supplies and food to be loaded on containers and forwarded to HFA Swaziland. For these containers of noncash donations, HFA acts as the agent as HFA Swaziland is the principal recipient. Such noncash donations are only recognized as revenue by HFA Swaziland.

Notes to Consolidated Financial Statements December 31, 2021 and 2020

#### Note 1. Nature of Organization and Significant Accounting Policies, Continued

#### Noncash donations, continued:

Cash receipts from the sale of donated financial assets that upon receipt were directed without any imposed limitations for sale and were converted nearly immediately into cash are classified as cash inflows from operating activities, unless the donor restricted the use of the contributed resources to long-term purposes, in which case those receipts are classified as cash inflows from financing activities. Otherwise, cash receipts from the sale of donated financial assets are classified as cash inflows from investing activities.

#### Functional allocation of expenses:

The costs of providing program and other activities have been summarized on a functional basis in the consolidated statements of activities and changes in net assets. Accordingly, certain costs have been allocated among the programs and supporting services benefited. Such allocations are determined by management to be on a reasonable and consistent basis.

The Organization classifies expenses as program services or support expenses. Program services are the activities that fulfill the Organization's mission and include husbandry, educational and orphanage expenses. Support expenses are all activities other than program services and include human resources, management and general expenses. All fundraising costs are classified as support expenses.

Management allocates these expenses as follows:

Expense	Method of Allocation	
Salaries and wages	Time and effort	
Project grants	Nature of expenses	
Legal fees	Nature of expenses	
Office expenses	Nature of expenses	
Occupancy	Time and effort	
Employee benefits	Time and effort	
Payroll taxes	Time and effort	
Depreciation	Nature of assets	
Travel and meetings	Time and effort	
Miscellaneous	Nature of expenses	

#### Income taxes:

HFA and HFA Swaziland are exempt from federal and state income taxes. The Organization believes it has appropriate support for any tax positions taken, and as such, does not have any uncertain tax positions that are material to the consolidated financial statements.

Notes to Consolidated Financial Statements December 31, 2021 and 2020

#### Note 1. Nature of Organization and Significant Accounting Policies, Continued

#### Recently issued accounting pronouncement:

In September 2020, the FASB issued an accounting standard that will provide clearer financial information about noncash contributions to not-for-profit organizations that receive gifts-in-kind. The standard provides new presentation and disclosure requirements about contributed nonfinancial assets for nonprofits, including additional disclosure rules for recognized contributed services. The amendments will not change the recognition and measurement requirements for those assets. The amendments will be effective for the Organization on January 1, 2022. The Organization is currently in the process of evaluating the impact of adoption of this guidance on its consolidated financial statements.

#### Estimates and uncertainties:

The preparation of consolidated financial statements in accordance with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

#### Subsequent events:

The Organization has evaluated subsequent events for potential recognition and disclosure through July 8, 2022, the date the consolidated financial statements were available to be issued.

#### Note 2. Availability and Liquidity

The following represents the Organization's financial assets as of December 31, 2021 and 2020, reduced by amounts not available to meet general expenditures within one year:

		2021	2020
Financial assets at year-end:			
Cash and cash equivalents	\$	1,658,719	\$ 1,201,982
Receivables		34,308	44,794
Investments	<u> </u>	104,506	12,325
Total financial assets		1,797,533	1,259,101
Less amounts not available to be used within one year:			
Net assets with donor restrictions		1,038,241	1,037,063
Financial assets available to meet general expenditures			
over the next twelve months	<u>\$</u>	759,292	\$ 222,038

Notes to Consolidated Financial Statements

December 31, 2021 and 2020

#### Note 2. Availability and Liquidity, Continued

As part of HFA's liquidity management, it has a policy to structure its financial assets to be available as its general expenditures, liabilities and other obligations come due. In addition, the Organization invests cash in excess of daily requirements in an interest-bearing money market account in order to earn interest on funds that are idle. The Organization receives over \$12,500 per month as undesignated funds from their "Hero" donors (these are donors who have elected to provide unrestricted cash support on a monthly basis for HFA). There is a \$100,000 credit card line that may be drawn upon in the event of financial distress or an immediate liquidity need resulting from events outside the typical life cycle of converting financial assets to cash or settling financial liabilities.

#### Note 3. Noncash Donations

The Organization receives noncash donations from various sources. Noncash donations meeting the criteria for recognition are as follows:

	<del></del>	2021	 2020
Program supplies	\$	147,273	\$ 142,557
Stocks		372,578	 226,035
	<u>\$</u>	519,851	\$ 368,592

#### Note 4. Property and Equipment

Property and equipment consist of the following major classifications:

	 2021		2020
Land	\$ 966,069	\$	1,050,750
Building	5,159,414		4,356,254
Farm machinery	570,516		611,608
Software	2,007		2,182
Motor vehicles	460,882		454,660
Computer equipment	41,466		40,471
Furniture and equipment	693,990		695,859
Fire bowser	3,825		4,161
Biological assets	85,833		92,173
Satellite equipment	1,260		1,370
Construction in progress	 7,660		443,718
	7,992,922		7,753,206
Accumulated depreciation	 (1,944,735)		(1,791,870)
	\$ 6,048,187	\$	5,961,336

**Notes to Consolidated Financial Statements** 

December 31, 2021 and 2020

#### Note 5. Net Assets with Donor Restrictions

Net assets with donor restrictions are as follows:

	2021		2020	
Subject to expenditure for specified purpose:				
Project Canaan	\$	965,476	\$	947,473
Long-term and short-term volunteers		26,881		30,292
Mission trips		45,884		59,298
	<u>\$</u>	1,038,241	\$	1,037,063

During 2021 and 2020, net assets released from restrictions by incurring expenses to satisfy the restricted purposes consisted of the following:

		2021	 2020
Satisfaction of purpose restrictions:			
Project Canaan	\$	1,570,632	\$ 1,256,228
Long-term and short-term volunteers		89,038	89,493
Mission trips		43,218	 36,912
	<u>\$</u>	1,702,888	\$ 1,382,633

#### Note 6. Cumulative Foreign Currency Translation Adjustment

Cumulative foreign currency translation adjustments included in net assets without donor restrictions for the Organization are as follows:

Balance, December 31, 2019	\$ (508,796)
2020 currency translation adjustment	(188,427)
Balance, December 31, 2020	(697,223)
2021 currency translation adjustment	(525,188)
Balance, December 31, 2021	<u>\$ (1,222,411)</u>

#### Note 7. Administrative Assessments

Contributions with donor restrictions are subject to assessments of 7% to 12%, which are used for management and general expenses. Assessments are classified as contributions without donor restrictions at the time the contributions are received. Assessments totaled \$252,673 and \$209,066 for the years ended December 31, 2021 and 2020, respectively.

#### Note 8. Related Party Transactions

Contributions made by members of the Board of Directors totaled \$245,014 and \$199,161 in 2021 and 2020, respectively.

Notes to Consolidated Financial Statements December 31, 2021 and 2020

#### Note 9. Uncertainties

The World Health Organization declared the coronavirus outbreak a "Public Health Emergency of International Concern" and declared it to be a pandemic. Actions taken around the world to help mitigate the spread of the coronavirus include restrictions on travel, and quarantines in certain areas, and forced closures for certain types of public places and businesses. The coronavirus and actions taken to mitigate the spread of it have had and are expected to continue to have an adverse impact on the economies and financial markets of many countries, including the geographical area in which the Organization operates. During 2020, Congress passed the *Coronavirus Aid, Relief, and Economic Security Act* ("CARES Act") and various other acts extending and supplementing the benefits which amongst other provisions, provide emergency assistance for individuals, families and businesses affected by the coronavirus pandemic. It is unknown how long the adverse conditions associated with the coronavirus will last and what the complete financial effect will be to the Organization.
