

I'm going to serve with

Heart for Africa (Canada)!

Please help me get to Eswatini!

CANADA 

Heart for Africa (Canada) is a faith-based humanitarian organization focused on bringing hope to the people of Eswatini by focusing in the areas of **Hunger**, **Orphans**, **Poverty** and **Education** through a 1,000 hectare farm called Project Canaan. While serving in Africa I will spend time with the orphans living on Project Canaan and help with various work projects on the farm. I will also spend time in the community feeding the hungry and helping those in desperate need.
